## **2009 HALF MARATHON: TOP TEN MEN**

An unfortunate error – which I am at a complete loss to explain – occurred in the list of the top ten SA men in the half marathon in DRR 9:26. With the Nedbank SA Half Marathon being run this weekend in Port Elizabeth, I thought it appropriate to correct this right away instead of waiting until next week's edition of DRR. Below is the correct list. I sincerely apologise for the mistake. Thanks to Rowyn James for pointing it out.

Athletics South Africa has announced that for the first time in a national championships incentives will be offered for SA athletes to run under certain target times. The top incentives are R75 000 for men to go faster than 61:00 and women to beat 68:00. More about this in the report on the race in DRR 9:27 next week.
